CRIME SCENE INVESTIGATION

Everything begins with the usual daily briefing at the police station. The chief of police will hand a different crime file to each team and ask them to start investigating.

They will have 2 hours to go as far as possible in their investigations and come back to the headquarters to make their report. To do this, participants will need to explore **real scale reconstitutions**, pursue leads, interrogate witnesses and perform researches and analysis. Following their first report, the chief of police calls for a meeting: a 30 min **brainstorming session** to find out the connections between the different cases as well as the best way to close them within the last hour of the game.

The final action of the game will depend on the decisions that have been made during the meeting and **everyone's capacity to work together...**

Survivors

Back to nature

The goal of the game is to complete a series of exciting challenges that are all about “**surviving in a lost land**”. This team building was designed for companies seeking out-of-town adventures and daring activities for their teams. Getting more and more popular across the world, outdoor scripted games are finally coming to Vietnam!

We recommend to organize this activity in:

or

Tri An Lake

Located 1h30 from HCMC, Tri An Lake is home to gorgeous landscapes, refreshing waters & bicycle trails across the jungle.

Cat Tien National Park

About 2 hours from HCMC, an amazingly well preserved natural park awaits you for a memorable “back to nature” experience.

- **Will your team be able to erect a shelter that would hold up against the elements using the equipment provided?**
- **Will it be able to manage wisely its water resources ?**
- **Will it be able to start a fire with a flint striker & source enough wood to keep the fire going all night?**
- **Will it be able to prepare & cook a team meal?**
